Received: November 3rd, 1999

Accepted: December 16th, 1999

Online Publication: December 21st, 1999

Special Issue: LCA in Japan

Publication: September 2000 (Int. J. LCA No. 5, 2000)

Editors

Dr. Matthias Finkbeiner, DaimlerChrysler AG, Stuttgart, Germany
 Dr. Yasunari Matsuno, National Institute for Resources and Environment, AIST, MITI, Tsukuba, Japan

Overall Topics

Representative coverage of both methodology (inventory assessment, impact assessment, etc.) and application (case studies) of LCA in Japan from a broad spectrum of authors (industry, research institutes, universities); activities of JLCA (Japan Life Cycle Assessment Society) and JEMAI (Japan Environmental Management Association for Industry).

Japanese authors interested in submitting a paper are asked to contact the Issue Editors immediately.
